“Application For Review by The Hugo Town Board” form and the \$750 – Dee Ann Blevins to speak – Questions regarding the intent of the application and correct uses will be discussed. Staff are trying to locate when the application was started and any official action taken by the Board for the intent of the application and the fee. So far it seems as if this may have originally only been intended for subdivision requests.

Lincoln Community Hospital Infrastructure – LCH and GMS Engineering will discuss site locations and infrastructure to the proposed new hospital site and proposed new housing site. GMS Engineering will discuss increasing the height of the Town of Hugo water storage tank that is in our current Water Storage Project.

4th Avenue Water Line Replacement – GMS Engineering will discuss replacing the 4th Avenue water line between 4th Street and 3rd Street and adding this to the Town of Hugo’s current Water Storage Project.

Roundhouse Estates Draft Letter – GMS Engineering will discuss the items requested in the “Draft Letter to Angel Star Assets for Roundhouse Estates” that was presented on January 13.

CDOT Sidewalk Project – GMS Engineering will give an update on the CDOT Sidewalk Project and discuss the steps moving forward.

Firearms in Sensitive Spaces – Senate Bill 24-131 took effect on July 1, 2024, and prohibits carrying a firearm in Town Hall other than police officers. The Chief Marshal would not like to move forward with this. This was discussed prior as being needed for court room security. Does anyone have any questions regarding this topic?

Colorado Cobras Contract 2025 – Review the proposed 2025 contract. Colorado Cobras insurance and monthly payments are up to date.
